

PINE TREE 2018-2019

Requirements & Information

Your Mission:

Your mission is to read enough Pine Tree books to reach or exceed your personal goal. You can checkout books from your classroom, the iCenter or the WBTP. Once you have read a book, you need to earn credit for it by completing the Pine Tree Online Book Review.

Student Goal:

There are **3 levels of achievement** that you can select from for your personal Pine Tree Goal. Each level you reach will earn you a reward. When selecting your personal goal, keep in mind that the program runs from **November 30th through March 1** and that your teacher will read 1 book aloud to the entire class. You will receive a bookmark to help you keep track of the books you have read and you will have a goal tracker sheet for your data binder.

Rewards that can be earned:

Level 1 (3 books): Prize Box

Level 2 (6 books): Restaurant Coupon for Free Kids Meal

Level 3 (9+ books): Book from the Prize Box or \$5 Coupon for the book Fair!

March Celebrations:

Besides earning prizes, all students will be able to hear our Pine Tree author, **Linda Urban** at a school assembly. Students whose names were drawn to win an author invite will also go to the WBTP for a special author reception.

Credit Activities:

For each book read, you will need to complete the Pine Tree Online Book Review. Go to your school website & use the link that is listed for your class. Once you have read enough books to reach a prize level, complete the level form & submit it when you come to the iCenter for media and receive your prize.
